Y, the obsessive detective, travels to a remote island for a chance to clear his father's name. But only one place can offer him the answers he needs and one place has the power to stop him.

Description: Bollywood, Dabangg, and Hollywood, all are the names of the 3 big film industries. India has entered into the world of a multi-billion world and one day India might even overtake Hollywood and Bollywood. This is not only the wish of the film Industry, but also an attempt to have more exposure to the Indian audience. Sajid Khan is a name which is going to become popular among the film industry. He has been in the film industry for quite some time. He has directed hit films like Bol Bachchan, Kurbaan, Rockstar, and Dabangg. In the last movie that he directed he got so much fame and that's the Dabangg. Sajid Khan has an eye for the basic of script writing. He gets a very good script for his movies and his films are in the top ten list of Bollywood films. This Dabangg is also his 5th film. It has a new concept and the script of the movie is quite good. Isha Sharvani plays the role of the female lead in the movie and is a new face in the Hindi film industry. Her previous film was Ek Jaan Se Ek Jaan, which was released on 1 September 2005. It was the director's debut movie. Isha Sharvani is the daughter of the actress Nandita Das. Isha Sharvani has been in the business for quite some time. She has done several advertisements and was on Sony TV's Daalu Dabadugli. She has also done a play, but her career has been all about her acting in the Hindi movies.
