Awesome outfit and when she runs her boobs dangle from side to side, what an experience it is!!! Simply Priceless!!! I hope there was a way to eat that banana and bit off those strawberries from those sexy\u2665\u2665\u2665\u2665\u2665\u2665..mmmmm....dress made me\u2665\u2665\u2665\u2665\u2665thrice !!!. I won't lie I did buy this just to play the game. I happened to die a lot more than when I play without her in it.. Yes, she's wearing just two strawberries and a banana.

This outfit is exactly what it looks like.

X and Y are different based on the color of the gloves.
